

13th Annual "Art in the Garden" Artists Application
Saturday, April 15, 2023 from 10am-3pm
The Silo @ Grill House Restaurant, M-40 South, Allegan, MI

Artists working in every medium are invited to submit an application with photos of their original nature-inspired artwork for this one-day juried fair. In order to create an outdoor atmosphere and appeal to our gardening guests, several select nursery, landscape contractors and specialty vendors will also be invited to this event. * If you are a returning artist and your media has not changed you do not have to submit photos.

This fair will appeal to gardeners, homeowners and art enthusiasts from around southwestern Michigan – all with a wide range of interests and tastes. If you are concerned your art does not fit the "nature-inspired" theme, please let us be the judge of that! We need porch décor (pillows, rugs, furniture), interior art for the home (paintings, pottery, glass) and a variety of garden and yard items from flags to sculpture!

There is ample parking and we are planning extensive publicity to attract a huge crowd. This Market will be heavily promoted in area media.

Please complete the attached application and return it to us by March 3rd. Make checks out to the AAAC and mail with your application to: Kim Caines, 2278 – 25th Street, Hopkins MI 49328. No application will be deemed complete without entry fee(s) included. If you have any questions or would like more information in order to apply, please contact the Event Coordinator Kim Caines at 269-720-2502 or email her at diamondcdals@gmail.com.
